RE: Community Health Systems, Inc.

Customer Data Breach Litigation, No. 15-cv-222 - KOB - JHE

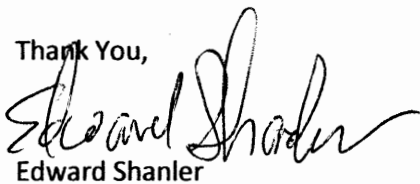

2019 FEB - 7 A 10:43  
U.S. DISTRICT COURT  
N.D. OF ALABAMA

The issue I have with The settlement is that the Lawyers are getting to much money.

There should be no more than costs x 2 = thier payment.

\$900,000 seems to be a unreasonable amount.

Thank You,
